

International Buffalo Information Center (IBIC)
BUFFALO BULLETIN
ISSN : 0125-6726

Aims

IBIC is a specialized information center on water buffalo. Established in 1981 by Kasetsart University (Thailand) with an initial financial support from the International Development Research Center (IDRC) of Canada. IBIC aims at being the buffalo information center of buffalo research community through out the world.

Main Objectives

1. To be world source on buffalo information
2. To provide literature search and photocopy services
3. To disseminate information in newsletter
4. To publish occasional publications such as an inventory of ongoing research projects

Buffalo Bulletin is published quarterly in March, June, September and December. Contributions on any aspect of research or development, progress reports of projects and news on buffalo will be considered for publication in the bulletin. Manuscripts must be written in English and follow the instruction for authors which describe at inside of the back cover.
